It is difficult to understand what is really meant by the latest Russian assurance with regard to recent movements in the Pamirs. Replying to the Chinese protest against the occupation of Alichur by General YANOFF's erpedition, the Russian Government is now reported to have stated that the force unde that officer is only engaged in exploration | laya will arrive at Bombay about the middle of and has no intention of occupying the territory. After driving the Chinese out of the country and practically taking possession this seems a curious answer to give, but possibly the Russian Chancellor would explain that General Yanorr ac'ed without authority or exceeded his powers. Russia merely wished the move to be made as a feeler, and now feels it desirable to retreat from the position taken up by General not enforce the payment of costs beyond the re-YANGER, this course is understandable. But of fact, spoiling for the fray; they are not of exhaustion when rescued. feather bed soldiers and are sick of the long If therefore they could precipitate a frontier little war with the Ameer of Afghavistan proving practicable they would not be sorry sport may be anticipated. A favourite expression to bring out her own best points and those of an

> · A young woman was recently discovered walking the streets of Philadelphia in a state of som nambulism. She was in a night-dress. A chain was dangling from one of her ankles. She was awakened and taken to her home. Her husband was found fast asleep in bed, and a chain was dangling from one of his ankles. He knew of his wife's dangerous habit, and the pair generally slept chained together by the feet. The wife had managed to uncouple the chain without awakening her husband-or herself.

An anecdote the authenticity of which is vouched for by Truth, is illustrative of the enightened tolarance which distinguishes a number of the Established clergy at the end of the 19th century. A parson lunching the order diviat a small country house praised his hostess's butter and cream, and inquired where they came from. "From Farmer K's wife," roplied the lady. The parson pulled a long face. "Surely you are not aware," he said gravely, "that X. is a Dissenter, and has married his deceased wife's sister?"

One of the oldest men in Europe to-day is one Père Vivien, an ex-soldier of the French Army The old man is in his 107th year, having been born in Lyons in 1786. He served under Napoleon in the campaign in Egypt, and followed his Imperial master all over Europe. At a recent interview with the Prefect of the Rhine he is ported to have said. "I have never been ill in my life except when I was shot at the Beresina. self of having done more than any man of his Nothing ails me now, and I hope to live another

There is a priest at Saratoff who is a humorist and it seems not improbable that his humour has saved his life. During the cholora riots his reverence was attacked by a mob, one of the leaders might not have been adopted but for his tenacity. exclaiming. "That is the priest who buried me It was not the pet measure that he brought alive: I have just risen from the grave." Alto the Chamber in leading-strings; for had though the people were crying "Stone him," this been voted it would be almost as easy the priest kept his composure. "If you have for French people now to escape from the just risen," he inquired of his assailant, "how is toils of matrimony, or to exchange them for it that you are already drunk?" > the insane King of Bavaria a few weeks ago anddenly awoke from his chronic apathy to a momentary intellectual perception. He is said to have suddenly understood his surroundings, and come to some sense of his high position, of which he knew nothing at all when the Crown passed to him by the unhappy death of King Ludwig After he had conversed rationally for some time with his attendants, one of them made the courtierly remark, "Now your Majesty will show yourself to your people in your capital." King shook his head, and answered, in a melancholy tone, "Gladly would I go to Munich, but my people will want to see a same king, and I am a sick one. Yes, yes, I know that those fits of madness will never leave me."

There is a sensational report in Munich that

We were told the other day of a reporter London, who wanted to wire to his newspaper office in the distant North, some special bit of information which it was desirable should appear in the Northern daily. His office in Loudon was at the top of a huge building in the City, and his assistant was wiring away his usual lot of matter, quite maware that his chief was banging at the outer door in the street trying to get in to wire off the special tip be was anxious about, and the night porter was asporter jumped into a cab, drove to the General Post Office, wired to his firm in the North, and asked them to wire back to the clerk in his office in the City of London and tell him to go downstairs and lot him in also to kick the night-porter. This was done, and the important item of news reached the North of Eurland in time after all!

Father Chiniquy, once an eminent French-Canadian priest, and now for many years still more prominent as a Protestant propagandist among his fellow countrymen, made some striking remarks the other day on the gradual disuse of his mother tangue. In the course of an interview with a representative of the Montreal Daily Witness, a paper which was long ugo laid under the ban by the Bishop of Montreal for An English shipowner has been condemned to publishing Father Chaniquy's anti-Romanist discourses, the aged Frenchman said :- " Every-French-Capadians as soon as they acquire the English language at school give up the use of the morning-sent-by-a-parent-who had heard me preach and had promised to come and see me. Senor Breton, who dedicated his new opera to | She spoke to me in English for some time, and when I said to her. Mais no ponven-vous pas parler francais " she replied, O, mon Dien, est-co-que in parle Anglais? There is a reason for it. I read recently an article in a magazine about 'English the universal language,' but the writer did not know the true reason. I am in the midst of it, and I know. It is because they can express themselves with greater onse in English than in French." "I suppose." said officer in the Guards was present one night at barber, in sympathotic tones, "I age thocht the the interviewer, "you mean those of them who all," replied M. Chiniquy; "I also can
